Re: Fitchburg Gas and Electric Light Company, D.T.E. 02-24

Dear Ms. Cottrell:

Enclosed for filing on behalf of Fitchburg Gas and Electric Light Company, please find an original and eight copies of a Motion for Protective Treatment for commodity and demand pricing information embedded in an electronic disk provided this date in response to DTE-1-58, AG-2-3 (Gas) and AG-2-4 (Gas). With a copy of this Motion, a proprietary and confidential electronic disk with the commodity and demand pricing information is being filed in single copy to the Hearing Officer, Jeannie Voveris.

Per the Ground Rules issued by the Hearing Officer in this proceeding, I have contacted the Office of the Attorney General and the Division of Energy Resources ("DOER") to obtain their assent to the within Motion. Both the Attorney General and the DOER (through Attorney Wasserman) indicated they did not object to proprietary treatment over the electronic spreadsheets provided by Mr. Harrison.
